Your EXPO 2020 Dubai Specialists

Since 1981, we have been developing innovative solutions to clients all opting for first-class event technology. In 2007, we have established ourselves in the Middle East with an office and a warehouse stocked with cutting-edge equipment.

To date, N&M has 18 offices throughout Germany, a branch in Dubai and a division for Eastern Europe. There are dedicated EXPO project offices in Germany and Dubai staffed with teams of EXPO specialists.

Our multi-cultural team of event technology professionals is capable of executing projects on a high international level under all circumstances, ensuring superior and timely implementation through well-established quality assurance procedures.
